EXT. GARDEN OF EDEN – DAY

The garden shimmers with light and harmony.

Birds sing in a soft chorus.

Humans can speak to all

of creation

Adam walks freely,

glowing with childlike wonder.

From the trees,

a TIGER emerges

SAM.

His eyes are wide,

innocent, almost human.

ADAM

(smiling)

“Sam! How you been?”

SAM

(purring, gentle voice)

“Adam!

There’s a spot in the rolling hills.

You can ride all around.

let’s go

Come see.”

Adam’s face lights up.

He climbs onto Sam’s back.

EXT. ROLLING HILLS – DAY

Adam rides Sam across the hills,

laughing like a child.

ADAM

“Yippee!”

The grass waves like the sea.

The world feels alive.

Ahead,

a SHADOW looms.

A massive T. REX steps forward

TOM

His eyes are kind.

like a gentle giant

ADAM

(stunned, awed)

“Wow… you’re massive.

And cool.

I’m gonna call you Tom the gentle giant

TOM

(chuckling, deep voice)

“How was the ride?”

ADAM

“Very splendid.

You’re so large and mighty, Tom!

might if we go for a spin?”

Adam climbs on Tom’s back.

Together they thunder across Eden.

Adam laughs, free, alive.

EXT. CLEARING – DUSK

Adam meets EVE for the first time.

The two look at each other

laughter,

Innocence,

love.

They run hand in hand like children.

But behind them,

in the shadows,

spying in the trees

a BLACK WYVERN

slithers through the air.

Its eyes gleam with malice.

WYVERN

(whispering to Eve)

“Psst, Come…”

(Eve ignores and continues with adam

WYVERN

“Psst…

Eveee

I know your nameeee

Eveee”

Eve turns around,

haunted but curious

she sees the black wyvern under the trees

and drifts closer.

She follows the wyvern

He flies away from her

Until she chases him

to the Tree of knowledge

The apple glistens.

WYVERN

“It’s fine.

You’ll be like God.

Beautiful.

Powerful.”

Eve bites.

then suddenly

silence

falls

the sky turns grey

The waters grew silent

The doves stopped singing

And the wind blew quietly

Eve runs back to Adam.

EVE

(excited, naïve)

“Look!

It’s okay.

He said we’ll be like God.

we could stand next to him

like a Brother and sister

Isn't that cool?”

Adam hesitates.

Eve looks awfully haunting

he looks closely at Eve

her mouth is full while eating

her lips

are covered in blood

dripping down her chin and neck

this apple was different

sour

juicy

and yet

filled

with blood

Adam asks

ADAM

“Didn’t the Lord say we can’t eat that?”

EVE

“But the Dragon said it was okay.

We can rule with him

Together.

Maybe the lord made a mistake”

Adam’s eyes waver.

ADAM

(thinking to himself)

hmm cool

I could try standing next to God…

rule Eve too

and all the animals of eden?

Maybe even higher

More worlds

More animals?

Cool

God wouldn’t be mad,

Would He?”

He eats.

SUDDENLY

VISIONS

flood his mind:

Multitudes of men at war.

Armies clashing.

Gluttony,

indulgence,

Blood,

Pain

suffering.

And the final beasts

of The END

Adam gasps.

The visions vanish.

Darkness falls upon the sky

The light fades

The animals flee.

nothing left

but an empty open space

and the sky opens

A FACE begins to appear through the sky

GOD

Adam and Eve panic.

They run into a nearby forest.

INT. FOREST – NIGHT

Adam and Eve sew fig leaves, trembling.

but the trees split apart

in a blinding light.

GOD appears,

filling the heavens.

GOD

Adam…

Where are you?

Adam steps forward,

trembling.

ADAM

(stammering, pointing)

It was the woman whom you gave to be with me!

She—she gave me of the tree!

and i ate

GOD’s eyes blaze.

The curse falls.

The world groans.

Silence.

EXT. GARDEN – AFTERMATH – DAY

Adam wanders,

broken.

ADAM

(sobbing)

"Sam…

SAM!

Where are you?

I messed up big time Sam

Come back.

Remember the rolling hills?

We can still go, right?”

He searches.

A TIGER appears in the

middle of the jungle

Adam smiles walking towards its back

ADAM

“There you are, Sam.

I knew I’d find you.

now Let’s go back,

just like old times”

The TIGER ROARS,

His pupils were dimmed this time

Eyes

no longer childlike

feral.

No words.

No friendship.

only hunger

ADAM

(pleading)

"Woah, woah… Sam.

relax, it's me.

Remember the rolling hills?

Remember?

we raced with the fast horses

and the lions

(Gulp)

And the t-rex……

(trembling…)

Do you still remember me?”

The tiger lunges.

its claws

scratches his face

Adam yells in excruciating pain

“AHHHH”

Adam dives away,

barely escaping.

He sits,

traumatized

with a scar of three claws on his face

ADAM

(whispering, broken)

What have I done?

EXT. ROLLING HILLS – DAY

Adam stumbles back to the hills for comfort

The sky was grey,

The air is heavy.

The grass that was once short and smooth

Now grows tall

With thorns

Flowers close their faces from the light

Adam kneels, reaching for the soil

It crumbles

Dry and bitter.

ADAM

(whispers)

“Even the ground…

Remembers what I’ve done”

A sudden rustle from the leaves

A strange plant rises

Green jaws folding like hands

A FLYTRAP snaps Adam’s Foot

ADAM

(startled)

“YEOWWWW!”

He stumbles forward.

Panicking

Running down the hills

The Tall grass turns to spikes

Thorns tear at his skin as he tumbles

Adam screeches and runs,

tumbling down the hill.

At the bottom

an EGG.

It cracks.

A BABY T. REX looks up at ADAM.

ADAM

"Tom?

heyyyy tom?

Why are you so tiny now?

What happened

A SHADOW looms eyes glowing

The MOTHER T. REX emerges from a cave.

She rushes out

Her ROAR shakes the earth.

Adam’s eyes widened in terror.

The T. REX charges.

Ready to EAT Adam

Adam flees,

barely escaping her crushing jaws.

EXT. GATE OF EDEN – NIGHT

Adam collapses by the gate.

Eve is there,

weeping.

They embrace in grief.

A CHERUBIM descends,

flaming sword in hand.

The gates seal with holy fire.

The CHERUBIM drives them out.

Adam and Eve stagger away,

broken,

clutching each other hands

without turning back

Adam and Eve fell upon the earth

Eve was filled with sorrow

she cried aloud,

“Judge me, O Lord,

not my husband.”

But both remembered,

and neither found rest.

They dwelt in dust and ashes.

They entered rivers

and wept

for forty days

and forty nights

crying out to heaven.

They ate bitter herbs

longing for the sweetness of his presence.

mourning what was lost

———

EXT. WILDERNESS – DAY

Eve gathers herbs near the river.

Mourning

Tears dripping down her cheeks

then a snake

slithered through the reeds.

She freezes.

then

she remembers

the head of the snake

Memories of the dragon’s voice

flash through her mind.

EVE

“You…”

(she grabs it,

trembling,

fury in her eyes)

EVE

“You did this to me!”

She squeezes the snake by its neck

until it gasps

then she sees

her reflection in its glassy eyes.

She releases it.

The snake slides away.

Eve collapses,

crying once again

EVE

"My Lord…

what have I done?

the serpent who once whispered

lives in me now?"

_____-

Eve travailed,

bearing sons in sorrow.

Cain,

Abel,

And when Abel fell by Cain’s hand,

she cried:

“Another Garden

lost

in one breath.”

and they wept

for three days

then behold

An angel Michael was sent

to comfort

And instruct,

Michael tells him

That the Lord did not depart from Adam.

he brings good news of the Promise

MICHAEL

“One will come from your seed

And He

will open the gate again.”

Later

As Adam’s breath grew faint,

Sowing herbs

a VISION came upon him.

He saw the Son of Man

clothed in light,

standing beside

the Tree of Life.

The gates no longer closed,

a multitude gathered,

and angels sang.

And the Lord said:

“This is He

who shall crush the Dragon’s head,

and restore what was lost.”

———

and Adam years grew near

He had called Seth and his children,

And they bore witness to the vision.

Then Adam died

in hope.

Eve wept beside her husband,

mourning the exile

Then later

And her last words

were said at her bed

EVE

“We will return

not by strength

but by your mercy O Lord.

Not through labor

but through

his blood.”
